QUICK DIY GARAGE ORGANIZATION CHECKLIST

- [ ] Remove anything you no longer use or need
- [ ] Group similar garage items together
- [ ] Create a dedicated zone for each category
- [ ] Keep as much floor space open as possible
- [ ] Use walls for hooks, racks, & shelving
- [ ] Store rarely used belongings on higher shelves
- [ ] Label bins, drawers, & storage containers
- [ ] Keep frequently used equipment within easy reach
- [ ] Give every tool & supply a permanent home
- [ ] Leave some empty storage space for future items
