QUICK PLAYROOM ORGANIZATION CHECKLIST

- [ ] Remove broken, unused, or outgrown toys
- [ ] Group similar toys and activities together
- [ ] Keep only a few toys out at one time
- [ ] Create a dedicated zone for each activity
- [ ] Use low shelves and open bins for easy access
- [ ] Label bins, drawers, and storage containers
- [ ] Use wall space for hooks, racks, and shelving
- [ ] Store extra toys in a rotation bin or closet
- [ ] Keep frequently used toys within easy reach
- [ ] Leave some empty storage space for new toys
